Big Happenings at SYB!

The Schuyler Yacht Basin, long a popular stop for downstate boaters on the way to Lake Champlain as well as Saratoga's Harbor for those interested in a side trip to the Track, is slated for some big changes next year. A locally-owned 5 star restaurant, enhanced facilities, and a stronger connection to area attractions via ridesharing are just some of the features planned for 2018.

With the new addition coming to the Yacht Basin, boaters will be able to enjoy dinner right along the river. Additional features may include kayak rentals and other fun activities for the family.

Details will be coming in future issues of this magazine. Visitors to the "Turning Leaves at the Turning Point" Fall Festival can also visit the Chamber of Southern Saratoga County exhibit tent on Broad Street for more information.
